

ISoGO 2026

## Go Off #2 Agenda

February 1st, 2026

| Time (means nothing) | Title                                                           | Speaker                                             |
|----------------------|-----------------------------------------------------------------|-----------------------------------------------------|
| <b>4:00-4:15PM</b>   | Introductions, House Keeping, Opening Remarks                   | Dr. Cory James Penca                                |
| <b>4:15-5:30PM</b>   | Is Olive Garden the Gateway to Self Actualization?              | Derek Gabaldon                                      |
|                      | Bread and Us                                                    | Sarah Hinkes                                        |
|                      | A Lite Tour of Existential Psychology                           | Alexander Hayes                                     |
|                      | Spongebob Lore You Didn't Know About                            | Chris Menendez                                      |
| <b>5:30-5:45PM</b>   | Break For Refreshments                                          | Bagels, pizza, wine, tobacco, etc.                  |
| <b>5:45-7:00</b>     | Deep Thoughts, Hot Takes, Petty Grievances                      | Open mic, go off, but quickly, briefly, with gusto. |
|                      | Sunscreen                                                       | Penny Crane                                         |
|                      | Desire and Availability, or, a Brief History of Salt and Pepper | Daniel Joseph Cook                                  |
|                      | The Last Days of Koreshan                                       | L. Fried                                            |
| <b>7:00-7:15PM</b>   | Break For Refreshments                                          | Bagels, pizza, wine, tobacco, etc.                  |
| <b>7:15-8:15PM</b>   | Strange Fish                                                    | Beatriz Chachamovits                                |
|                      | Preliminary Structure for a Hurricane Forum                     | Rivers Plasketes                                    |
|                      | Jamie Sadock and the Mysteries of Golfwear Apparel Design       | Shelby Slayden                                      |
